TO: Touchstone Energy All "A" Classic Coaches
FROM: Mike Reeves
DATE: September 22, 2007
SUBJECT: Team Pictures/Rosters

All team pictures and rosters are due on December 21, 2007. Responding by this deadline will ensure that your team photo and roster will appear in the Statewide Tournament Program should your team advance to the tournament in early February. The method of delivery is **electronic** (e-mail) for pictures, rosters, and captions.

Photos should be high resolution. The file should be in .jpg, or .tif format. All photos must contain a **caption listing of players by row**. Captions for pictures should be submitted in Word format. Files should be e-mailed to allaclassic@alltel.net We will not accept faxed copies, copies of photos, newspaper copies, or laser printer printouts.

We prefer the roster be in Word format with player name, number (home and away), position, height, and grade level. Rosters should also be sent as an e-mail attachment. The roster file in Word format is available on the website at www.allaclassic.org under the basketball tab or through your Regional Representative.

I wish you the very best of luck on a successful basketball season!
